

hp 12c platinum financial calculator (THB4,365 nett)

For Professionals in Real Estate, Banking and Finance

The HP 12c Platinum is a powerful tool capable of handling the most complex and detailed financial calculations. Users of the HP 12c Platinum will enjoy the flexibility this calculator offers with both **RPN** and algebraic modes of entry, the increased memory capacity and the more-than 130 built-in functions. Easily calculate loan payments, interest rates and conversions, standard deviation, percent, TVM, NPV, IRR, cash flows, bonds and more. Ideal for real estate, finance, accounting, economics and business work.

Business / Financial Features

includes algebraic and RPN entry modes

keystroke programming now performs up to 400 steps

now handles up to 30 cash flows

over 130 built-in functions for business, finance, mathematics and statistics including date calculations

compact size makes it easy to take anywhere

long battery life

Two types of data entry

Choose between RPN and algebraic entry modes

Over 130 business functions

Allows 30 different cash flows for internal rate of return and net present value solutions. Quickly calculate loan payments, interest rates, amortization, discounted cash flow analysis, interest rate conversions, standard deviation, percent, percentage change and forecasting based on linear regression, for example.

Industry-specific calculations tried and tested by millions of customers

Calculate mortgage payments, balloon payments, depreciation, bond prices and yields with just a few keystrokes.

Keystroke programming

Enter a series of keystrokes into memory, then execute your program with a touch of a button. Now with four times as much memory so you can perform up to 400 steps.

RPN (Reverse Polish Notation)

RPN is an efficient data entry mode that expresses a sequence of calculations without using parentheses, thereby reducing the number of keystrokes.

HP Quality & Support

Hewlett-Packard specializes in high-quality products and first-class support. Limited warranty and technical support are available.
